

Simple, Honest Food

FOOD PHILOSOPHY

We cook with homemade ghee. No processed food. No tasting salt. No commercial masalas. Only cold-pressed oils from our own farm—groundnut, coconut, sesame. Every dish is a mindfully portioned single-serve. No buffets. No gimmicks. No waste. Just real food made with intention.

Note: We do not offer room service. Food is strictly served at the dining area or other designated places. Food or beverages are not allowed inside the swimming pool.
